Development funding
QA support
Marketing support
Platform relations

The background of the entire image is a light gray and white checkered pattern. Scattered across this pattern are numerous illustrations of robots and mechanical components. In the center, there are two identical robot figures with their arms outstretched, one in a light blue and pink color scheme and another in a light green and pink color scheme. To the left, there is a tall, slender robot with a blue and pink body. To the right, there is a more compact robot with a grey body and a yellow light on its chest. Various mechanical parts like gears, pistons, and small robot heads are also floating around. At the bottom center, there is a dark, arched structure resembling a cave entrance or a stage, with a sign that says "thank you" in a stylized font. A small figure is visible at the base of this structure.

THANK YOU!
